Mission London investors double their money

Today's fourth and final distribution brings the scheme's total returns to £2.04 for every £1.00 subscribed. Investors have therefore seen their money more than double, earning an annualised return of 12.1% per annum.

The scheme's asset manager Mission Real Estate Asset Management Ltd calculates that the fund's performance bettered that of the FTSE 100 Index by 164%, the FTSE Eurofirst 300 by 139% and the FTSE 150 index by 25% over the corresponding period. Notably it outperformed Land Securities, the bellwether of the UK commercial property sector, by some 25%.

The scheme has now concluded all business and is in the process of dissolution. Real Estate Associates Ltd operated the partnership and the general partner was Real Estate Associates (GP) plc.
