## **Northampton scheme pays out profits to investors**

REAL has arranged the sale of a car dealership investment held by Real Estate Associates (Northampton) LP at maturity of the scheme's 10-year life.

A sales campaign run by the partnership's agents Vail Williams culminated in 'best and final' offers from several competing parties leading to completion on 1<sup>st</sup> April 2016 to the highest bidder, a specialist car dealership investment company.

After redeeming senior bank debt, REAL has arranged full repayment of private loans which it had raised for the partnership. From the balance REAL has now returned each equity investors' original capital plus their allocated profit share and is arranging the dissolution of the partnership.
